

STANDING STRONG

WITH SUSAN G. KOMEN

We support Susan G. Komen and its mission to save lives by meeting the most critical needs in our communities and investing in breakthrough research to prevent and cure breast cancer.

In keeping with this mission, CertainTeed's gypsum division has committed an annual financial donation to Susan G. Komen. Our GlasRoc® Exterior Sheathing product will proudly show our commitment with pink branded board you will see in cityscapes across the United States where CertainTeed GlasRoc Sheathing has been specified.

For more information about organizations supported by CertainTeed visit www.certainteed.com/certainteed-partnerships
